SUMMARY

Experienced Full Stack Web Developer with a fervent passion for learning and a drive to contribute to groundbreaking projects. Proficient in HTML, CSS, JavaScript, Node.js, and databases like MySQL and MongoDB. Committed to enhancing user experiences and adept at collaborating in multidisciplinary teams. Seeking opportunities to apply expertise in innovative and transformative web solutions.

Work Experience

Intern|Godavari biorefineries ltd (Sugar factory)   June 2023 - July 2023

- Engaged in impactful data analytics and analysis during tenure at a sugar factory, focusing on geofencing technologies
- Employed analytical tools to interpret location-based data, enabling strategic decision-making
- Collaborated with cross-functional teams to harness geofencing insights, optimizing operational efficiency and refining factory processes.

Intern|Claidroid Technologies Pvt Ltd   Dec 2022 - Jan 2023

- I successfully transitioned from learning to implementing as I crafted the front end of an e-commerce platform using HTML, CSS, JavaScript, and Bootstrap
- Demonstrated adeptness in merging design aesthetics with technical skills to contribute to a dynamic online shopping environment.
